Ayer's Kair Vigor

A gentleman residing at Dunedin, N.Z., writes under date Jan. 7, 1907:

"It is with gratitude I write you that I have now a splendid head of hair, both thick and very soft, all owing to my having used your wonderful Hair Vigor. I was almost bald headed before I used the Hair Vigor. I still use it once a day, rubbing it well into the roots of the hair. I used to wear a skull-cap, and I am very grateful to Aver's Hair Vigor. For the improvement it has made in my looks."

Be warned in time. Use Ayer's Hair Vigorand preserve your youth. Presered by Dr. J. C. Aver & Co., Lowell, Mass., U.S.A.

for the Baby Carriage will prove very handy in a great many

When the Baby takes his airing, just put a Thermos Bottle full of warm milk in the car-

Then you will be sure not to interrupt baby's diet, and keep him happy and healthy.

You can take him out for any ength of time, or on a visit, without his fretting for his Bottle; he'll always be happy and contented.

The Thermos is a boon to travelers on long or short journeys. Keeps liquids for days at the same temperature at which they were first put in it.

Professor Alexander, in confirmation ed at Kamchatka, has found references to them in the narrative of Captain James King, dealing with Captain Cook's last voyage, Prof. Alexander makes the following extracts:

"Captain Chas. Clerke, comman ler of the Discovery, died August 22, 1779. On the 24th the ship arrived at the harbor of St. Peter and St. Paul, or Petropaulowsky, under the dominand of Captain Gore. Captain Gore then head of black cattle be sent him as house boat, where the fishermen live Gore took command of the Resolution and appointed Captain James King to the command of the Discovery. They then proceeded to repair the Discovery. On the 29th Captain Clerks was buried with military honors on the north side of the harbor.

"On September 8 the boats from both ships were sent to tow in a Russian 'gaillot' from Okotzk, with fifty soldiers on board. On the 11th they received from the 'galliot' a quantity of pitch, tar, cordage and twine, and also There is always cause for alarm when 140 skins of flour, equal to 13,782 pounds a severe cold is accompanied by pain English, after deducting five pounds
